

And Jane
You're early
Your life's work is dirtied by the
Fools
Who adore you
Only to find, only to find you out
They saw you
Dressing in the backroom
Now they'll pay what they owe you
It's only small change, red on the green, green grass

And Jane
You're early
Your life's work is dirtied by the
Fools
Who adore you
Only to find, only to find you out
They saw you
Dressing in the backroom
Now they'll pay what they owe you
It's only small change, red on the green, green grass
